

# Higher Education Scholarship Application

---

Bay View, Inc. believes in empowering the success of the next generation through the pursuit of higher education. Students who are shareholders of Bay View, Inc. can apply for a higher education scholarship application to help meet their educational goals.

## Scholarship Application Timeline:

Applications are accepted on a rolling basis throughout the year. Upon receipt of completed application, please allow 4-6 weeks for processing. Checks will be mailed to the institution you will be attending upon final approval of application.

*\*If you are in a 4-year degree program, and you remain at the same institution for the entire duration of your program, you only need to apply once at the beginning of your educational pursuits. Funds can be released each semester, pending submission and review of your transcripts. If you transfer to a different institution, you will need to reapply for this scholarship.*

## Requirements of the Scholarship Program:

1. Must be a current, registered shareholder of Bay View, Inc.
2. Maintain a 2.0 GPA. Scholarship recipients are expected to submit transcripts at the end of each semester prior to funds being released for the next semester.
3. Submit an essay outlining what your educational goals are, and what you plan to do with your education once you have obtained it. We are also interested in hearing how your education will benefit your community.
4. Participate in an annual feedback survey while you are in school.
5. Provide a photo of yourself and sign a media release form.
